

Smokin'

ON THE CREEK

2019

Competitors! Thank you so much for signing up for the 3rd Annual Smokin on the Creek BBQ Throwdown! It's going to be a great event. Below is the timeline we plan on following the day of the event.

Friday June 14, 2019, 5:00pm: Mandatory meeting. At least 1 member from each team must attend the meeting. It is at this meeting that you'll be given your competitors packet, assigned your station and you can start setting up. YES, you can start cooking after this point. I know that the rules state otherwise. We didn't have any issues last year making this change, and I'm sure we won't this year. Please keep in mind if you do come that night or early, early morning there is a hotel and other guests on the property and to be mindful of the noise.

Saturday June 15, 2019, 8:00am: ALL COMPETITORS must have their vehicles out of the unloading/set up area no later than 8:00am Saturday morning. The vendors will arrive shortly after for their turn to set up. Please remove your vehicles and park in the designated parking areas for the event. Please give yourself ample time to set up.

3:00pm: Pulled pork samples provided to judging team 1

3:30pm: Rib samples provided to judging team 1

4:00pm: "Other" samples provided to judging team 2

4:30pm: Brisket samples provided to judging team 2

5:00pm: Team Spirit judging

Awards Ceremony will commence after all tallied.
